

Alternative Form Background Colour

(2.3.4+) This feature allows the Company or Person form colour to be changed according to the record state.

To configure this feature - Maintenance - General settings - Search on 'colour' - switchable fields (2080 and 2085) - set the fields to Y - Click the Update button - Click on the Save and Close button.

The screenshot shows the 'General Settings' window. At the top, there are filters for 'Group' (All), 'Branch' (All), and a search term 'colour'. Below the filters is a table with columns: No, Group, Name, Value, and Notes. The table contains several rows, with the last two rows highlighted by a red box:

No	Group	Name	Value	Notes
490	Colours	Social Care Recipient Colour	8517805	
500	Colours	Social Care Contact Colour	8517805	
2080	Switchable Fields	Enable Person State Colours	Y	Set to 'Y' to enable Person State Colours. Set to 'N' to disable.
2085	Switchable Fields	Enable Company State Colours	Y	Set to 'Y' to enable Company State Colours. Set to 'N' to disable.

Set colours via Maintenance - Agency Setup - Person and Company States - Tick the Override Form Colour box. Use the Background Colour button to select a new colour.

Note: Using this feature overrides the new look colour palette when viewing a Person or Company record.

The screenshot shows the 'Maintenance - Agency Setup' window. On the left is a sidebar with a tree view containing: Branches, Divisions, Departments, Document Templates, Document Types, Phone Types, Boiler Plate Text, E-mail Signatures, Contact Event Types, Contact Event Outcomes, Sources, Company States, and Person States. The 'Company States' item is highlighted with a red box. The main area has a green header with buttons: Save And Close, Abandon, and Update. Below the header is a table with columns: State, Name, Order, Grid Order, Note, Background Colour, Font Colour, and Override Form Colour. The 'Background Colour' button is highlighted with a red box. The 'Override Form Colour' checkbox is also highlighted with a red box and is checked.
