To set an item for Audit go to Maintenance > Database Setup > Audit Items > select the area (in this case it's Person) and tick the items you want to see appear in the Audit trail if any changes are made to it.

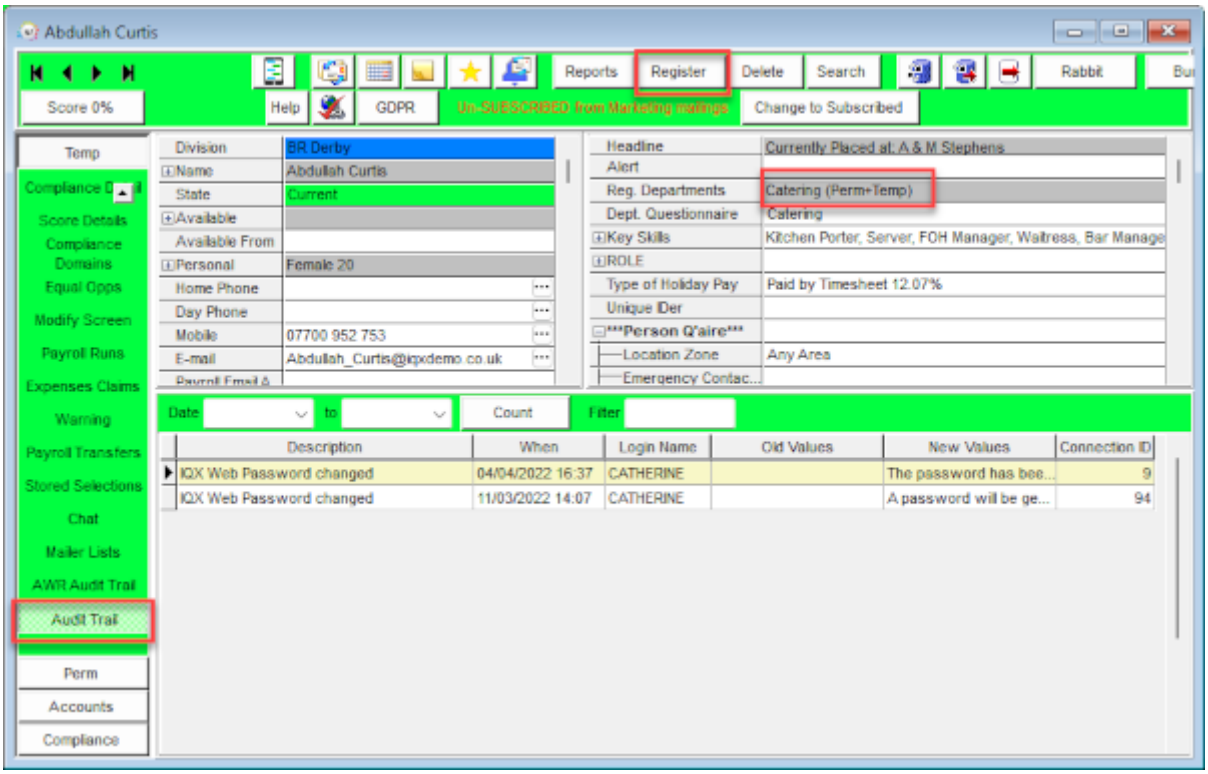

Person Department- Adding/removing can be audited

(2.15.11+)

The adding or removing of Departments from a Person Record can also be audited. Additional Departments are added via Person Record - Register – Complete the form including allocating a temp desk.

The audit trail is recorded in the side bar view of the Person record.
