Person/Candidate

- When trying to fill a shift, it says temp not qualified.
- I can’t place someone as it states they’re already working, even though on the ‘diary’ view in the temps screen they are not down as working anywhere else.
- There are still provisional timesheets (showing as blue) even though I’ve ended the placement.
- My temp worker has asked me to provide a print out of the shifts they are booked in for. Can I do this?
- How can I change the departments that a temp is registered with?
