

My temp worker has asked me to provide a print out of the shifts they are booked in for. Can I do this?

- Open the **person** record for that temp, click on the **Reports** button at the top.
- There will be a list of reports that can be run, there will be one called something like Temp Shifts or Timesheet Details etc.
- If you cannot see a report that looks relevant, please speak to your system administrator for assistance.
- You will be asked to enter the start and end dates that you wish to report on.
- You may then be asked to specify which part of the database to run the report against – if applicable, make appropriate selection.
- The report will be generated, this can then be emailed directly to the temp or you can export it to Excel to edit and send.
- To email it directly to your temp: keep the report open, open a contact event against the temp record, drag and drop the report onto the Contact Event by clicking on the report and dragging it onto the contact event details, release the mouse when the mouse cursor changes.

The screenshot shows the iqx software interface. The main window is titled 'Contact Event Kinade Adonsako'. It has a menu bar with 'Reports', 'Delete', and 'Help'. Below the menu bar, there is a 'Text' section with 'Letter Text'. The 'Person' section shows 'Kinade Adonsako', 'Made By BARBARA', 'Date 18/09/2014', and 'Time 09:42'. The 'Type' section is a dropdown menu. The 'Summary' section is empty. The 'Outcome' section is empty. The 'Callback' section is empty. The 'Callback Time' section is empty. The 'Priority' section shows '5'. The 'Created By' section is empty. The 'Created' section is empty. The 'Insert Text' section is empty. The 'Spell Check' section is empty. The 'Duplicate' section is empty. The 'Make Available' section is empty. The 'Send Fax' section is empty. The 'Send Text' section is empty. The 'Write Letter' section is empty. The 'Send E-mail' section is empty. On the right side, there is a 'Temp shift list' window. It shows a list of shifts for Kinade Adonsako between 07 and 08:00. The shifts are: Mon 21/07/2014 8:00, Tue 22/07/2014 8:00, Tue 22/07/2014 19:30, Wed 23/07/2014 8:00, and Thu 24/07/2014 8:00. A red arrow points from the 'Temp shift list' window to the 'Send E-mail' button in the main window.

- Write your email as usual and send.
- On clicking Send E-mail you will see the file listed under the Files and Documents section.
