A temporary placement has turned into a permanent role

A candidate has been placed in a temporary vacancy, which has now turned permanent. What is the best practice for updating this information in IQX?

Relates to
Temp desk → Vacancies form → miscellaneous tab

- Open the **details** form for the temporary placement.
- Click on the **Miscellaneous** button located in the left hand panel of the vacancy details form.
- Click **Make Permanent** - a prompt is showing asking if you wish to make this a permanent vacancy - click **yes**
- Ensure that a salary is given to the vacancy.
