

## Date Selectors

Instead of using the arrows to scroll back or forwards month by month, if you click on the month or year will bring up a list to select from

The top screenshot shows the date selector for 02/06/2012. The year selection menu is open, showing years from 2009 to 2020. The year 2012 is selected. The bottom screenshot shows the date selector for 02/06/2022. The month selection menu is open, showing months from Jan to Dec. The month Jun is selected. Both screenshots show the 'Date' field with the current date 02/06/2022 and a 'Today' button.
