Timesheet Rights (Candidate)

The Fetch New Timesheet Button uses the role

The slider to include/not include shifts on the timesheet is controlled by the behaviour **TSSUNTICKCALC**
Delete Shifts is controlled by TSSDELETESHIFT
Move button is controlled by TSSMOVESHIFT
Edit button is controlled by TSSSHOWEDIT
Copy button is controlled by TSSCOPYSHIFT
Duplicate button is controlled by TSSCOPYSHIFT
Add Shift Button is controlled by TSSADDSHIFTS
Editing the Shift Break is controlled by TSSEDITSHIFTBREAK
The rates section is controlled by TSSSHOWRATES - without the behaviour it will just have
Eg.

Date	Unit	Units
29/10/2025	Hours	8.00

With the Behaviour it would show
Eg.

Date	Unit	Units	Rate	Total
29/10/2025	Hours	8.00	12.00	96.00

The expenses section is controlled by **TSSSHOWEXPENSES** and will remove the whole section and ability to add expenses.
Complete and Sign Now is controlled by **TSSALLOWSIGNONDEVICE**
Complete and Send for Approval is controlled by **TSSALLOWSIGNVIALINK**
Upload image is controlled by **TSSALLOWUPLOADINGTIMESHEETIMAG**
TSSNUMOFWEEKSCHECKFORTIMESHEET controls how many weeks forward a Candidate can view their timesheets for eg. if the current date is 01/10/2025 and this setting is set to 2 you can see timesheets up until the 15/10/2025
When a timesheet is signed this setting **TSSCAPTUREGEOLOCATION** will control whether or not it will capture the signee's location
TSSHIDEPRINT will hide the print button
TSSHOURSLEEWAY will control how early the timesheet can be signed/sent for approval in hours. eg. if a Candidates final shift finishes at 17:00 and this setting is set to 2 then the timesheet can be signed from 15:00
TSSTOTALHOURSCALC this controls whether the units/hours total in the rates table gets displayed
TSSSHOWPAYTYPE will control if the pay band is shown on the rates table

Date	Pay Type	Unit	Units	Rate	Total

Fri 07/02/2025	Standard	Hours	8.00	12.00	96.00

When the timesheet is signed **TSSSIGNDATEONLY** will control whether a timestamp or just a datestamp is shown on the timesheet signed image
When Sign Now is pressed a message will pop up if **TSSCONFIRMSIGN** is turned on and will display the message of **candidateConfirmTimesheetSignMessage** in terminology
