Release 2.16.4

Note: If you have custom forms defined in IQX, not all new features may be available to you. Your agency custom forms are shown on Help – About.

New Features

Users

Alternative top right view on vacancy

Switchable Extra Notes can now be added to the Vacancy top right view so that users have 2 notes fields.

In the Vacancy form the button Switch Job Desc takes you to the Job Description view and Switch Extra Notes takes you to the Extra Notes view.

This can be set up by your System Administrator.

Export XLS files (jobrunner) with Landscape Orientation

Data exported to an Excel spreadsheet, whilst using Job Runner, can be set to display the information in Landscape format. This is particularly useful for jobs where an Excel spreadsheet is sent to the Candidate to print out timesheets. An extra piece of code needs to be added to an xml job.

Contact IQX to have this facility included in your Xml jobs. This may be chargeable.

Shift confirmation email/sms - (without Branding)

When sending shift confirmations by email and SMS it is now possible to use other boiler plate text

(BPT) in addition to {SHIFTDETAILS} e.g. {VAC_POSITION} {VAC_SITENAME}.

Contact your System Administrator to add additional BPT.

User switch to block editing rates on Vacancy

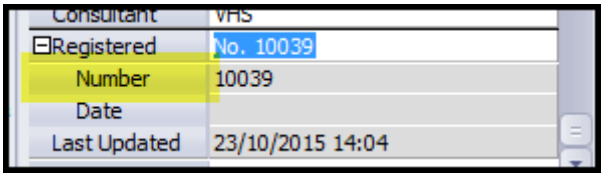

Where a user is allowed to either maintain schemes or override pay or charge rates is now possible to block changes to the vacancy rates. This feature becomes active once a placement is made against the vacancy.

This feature will need System Administrator set up.

Make Registration Number Read only

It is now possible to make Person record registration numbers read only.

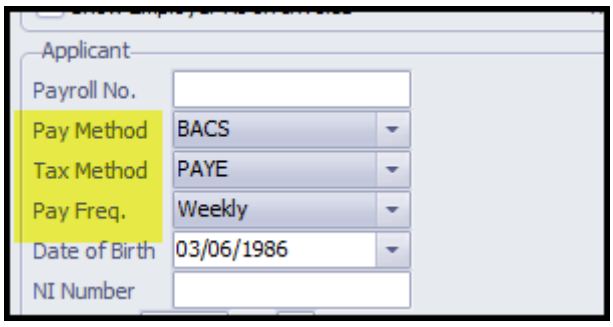

In the Person record the registration number will be displayed in grey.

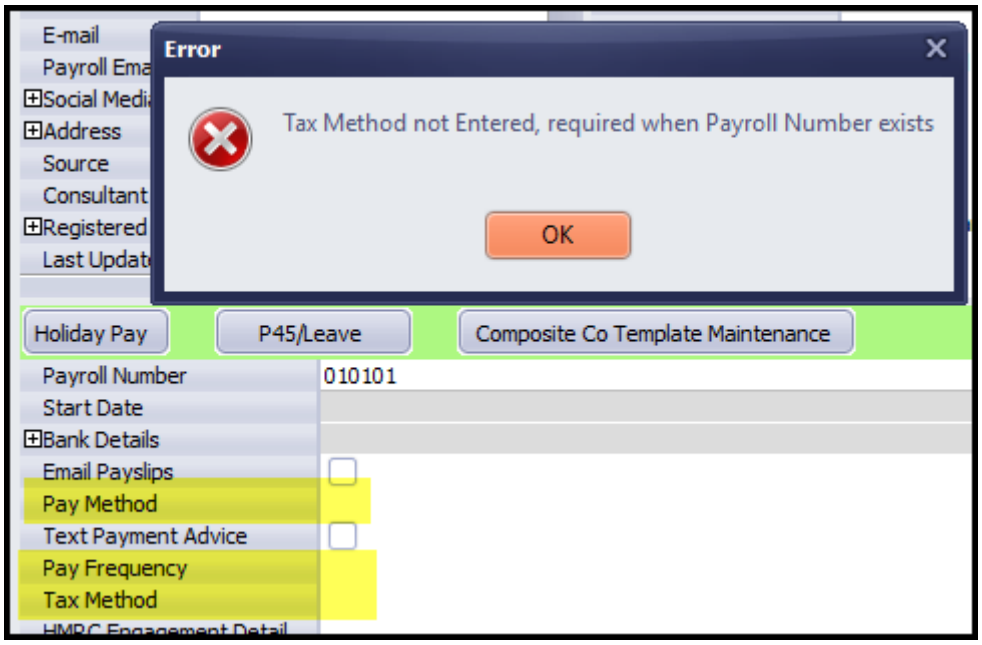

This requires System Administrator set up.

Person payroll validation checks on Pay Freq/Method & Tax Method

New candidates without Tax Method, Payment Method or Pay Frequency will default to PAYE/BACS and Weekly on completion of their first timesheet.

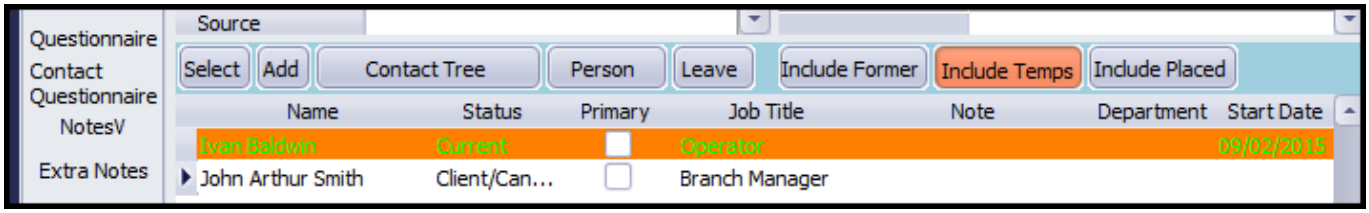

Once a candidate has been issued with a payroll number validation checks will be carried out on the Person record to ensure that they have these fields completed and the Person record cannot be saved without these fields completed.

Company contact view changes

In the company contact view it is now possible to show Temps by default.

It is possible to temporarily switch this view off using the **Include Temps** button.

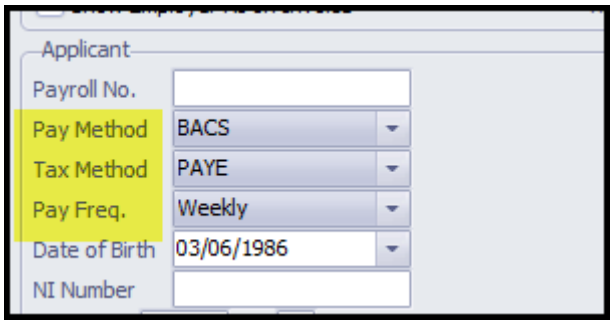

Font and background colours are assigned to different person states the colours will be visible in the company contact view.

Some System Administrator set up is required.
