Diary Work List

Here you will find all items that require actions. You can filter by Diary appointments, Contact events and progress by using the corresponding buttons. These items are also colour coded so you can identify what each item is at a glance. The colours are as follows:

Diary - White

Contact Events - Orange

Progress - Green

You will also find buttons that will allow you to expand the item, take you directly to the vacancy, Candidate or Company record and you can also process items from here. Again this can be done by clicking on the corresponding buttons.
