

How to find a Person / Candidate

Open Person Selector form by clicking the People button, key F6 or menu Select, People.

To open a further selector whilst keeping the existing one open, hold the Shift key down while clicking the button.

Selection	Name	State	Last Contact	Division	Alert	Address
Edwin Small	Current	11/11/2008	The Agency			132, Gammo Brae
Joanne Smart	Current	11/11/2008	Legal Recruitment			
Kate Alice Flora Smith	Current	11/11/2008	Town Industrial			19 Newton Church Road

By default 'Current Candidates Only' are shown. To see the list of People with other statuses, select from the drop down box.

To find an existing Person type the first few letters of their keyname (Surname, space, forenames) into the box and press the Find button or press Return. People with keynames matching will appear in the table below.

You can use wildcards for searching, see [wildcards for searching](#)

To see a list of People by other criteria such as state, use the Search Tab.

To see the list in a different order click the table column heading to sort by that criteria.

You can expand the Person record by:

- Double-clicking on their row in the table,
- Select the row with the mouse or keys and then pressing the Expand button or press Return,
- When in a Person Record it is possible to step through the selection with the video buttons.
