Enter an International Payment in IQX using Bankscan account checker

To send an international payment to Safe Outsourcing:

- Set bank account number to 00000000
- Set sort code to 000000
- In second line of the bank address (3rd actual line) enter 12345678 as an override code to stop bankscan alerting to incorrect sort code and account number.
- Once details have been exported to Safe Outsourcing contact CS and alert them of correct details to be entered into payroll system
