# IQXWeb Settings

## Settings

The **Settings** page can be used to create, edit and delete IQXHub profiles.

## User Classes

The **User Classes** page can be use to create, edit and delete IQXWeb user classes. The IQXWeb user classes are normally configured by IQX when IQXWeb is installed and should not normally need to be changed. Please contact IQX before making any changes.

## Rights

There are three pages in IQXWeb Settings regarding IQXWeb rights, the **Rights**, **Class Rights** and **Default Class Rights** pages.
