Progress Selector

The progress selector form shows all progress and can be filtered by various criteria such as Consultant (by default shows the progress for the user that is logged in), Action Date range, State and as well as more detailed criteria relating to the company, candidate vacancy etc - go to Filter, Criteria and select the relevant criteria and apply.

From the selection, the process buttons can be used to take the Candidates, Companies, Contacts or Vacancies into a list in their relevant selector form.

There are reports than can be run from the progress selector form, see Progress Reports

For more information see Progress
