

Nominal segments

refers to:

Maintenance menu → Accounts setup → nominal segments tab

- Used for creating nominal codes for each Consultant and for reporting on Commission splits on Placements.
- Each new Group or Consultant should have a split set up.
- Each Code fragment should be unique.
- It can apply to **Perm Placements, Temp Placements** or Both

Nominal Code Segment Structure tab

- Define the field name and sizes to be used for each Nominal Code Segment
