Add Period Filter to Timesheet View - as in Vacancy Timesheet View

(2.3.5+)

The facility to filter timesheets by period in Vacancy has been extended to filtering timesheets in Person. This reduces the time for the form to load.

View this feature via the Person form - Timesheets - The 'Show from Period' box defaults to showing the last 10 weeks. To see more enter the starting week and Apply. Display will change to show only those timesheets from that period.
