

Using the web browser

In a web browser, go to the IWXWeb site. The address will depend on your website e.g.

<http://www.myname.iqx.co.uk/ixxnet/ixxnet.php>

Log in. **Note:** You may be asked to change your password on first entry.

Depending on whether you are logged in as a Client, Candidate and Agency (for secondary agency logins), the web server will alter the content of your screen.
